16 took place earlier today at your residence.

17 A Yes, sir.

18 Q How long have you been with the victim in this case?

19 A My wife?

1 Q And did you have any children together?

2 A No.

3 Q Earlier this morning you turned yourself in to the  
4 South Miami Police Department; correct?

5 A Yes, sir.

6 Q And why did you do that?

7 A Cause I'm not a killer. And it was self-defense. I'm  
8 very -- I honor my country, I honor my state, I honor my city  
9 of South Miami. I do not feel that I'm guilty and I feel like  
10 ~~Don't kindly killed, like -- I feel like I this was -- you know,~~  
11 ~~On like I was out there to kill her, no, I wasn't.~~ This was  
12 self-defense.

13 Q There was a fight at your residence this morning?

14 A Yes.

15 Q At what time did you wake up this morning?

16 A Woke up at 9:30.

17 Q And when you woke up what was the first thing that  
18 happened?

19 A She basically came into the room. She basically  
20 mentioned -- she started ranting about, you know, why we didn't  
21 -- I didn't wake her up at 1:30 after we went out last night to  
22 Miami Yacht Club, and I mentioned to her that my stepdaughter  
23 was passed out by 10:30 at night.

24 Q So she was upset about a plan that she had for you  
25 to wake her up at 1:30 this morning?

1 A Yes. Yes. Correct. And then she started throwing  
2 stuff, objects towards me as a weapon. And then I pulled out  
3 my weapon. And then I told her, hey back off or I'm going call  
4 the cops. And she was go ahead call the cops, whatever, ~~I am~~  
5 ~~didn't do anything.~~ DM

6 Q You say that she was throwing things at you. What  
7 exactly was it that she throwing at you?

8 A Towels, mascara, creams, anything she get her hand  
9 on; boxes, shoes, anything in the room she could throw at me, I  
10 was justed duck. I got hit in the face a few times.

11 Q Did you sustain any injuries at that point?

12 A No. Only when she pushing and punching my  
13 afterwards, ~~when I grabbed her.~~ That's when I went back and  
14 grabbed my gun.

15 Q You stated that during this initial argument in your  
16 room, when she was throwing towels at you, you armed yourself  
17 with your firearm?

18 A Yes, I armed myself, which I forget that part, I  
19 armed myself when she started pushing me and punching me. Then  
20 I backed up and went and got the gun.

21 Q And where did you obtain the firearm from?

22 A In the closet of my house, in my holster.

23 Q So at the time you brought the firearm out was it in  
24 the holster?

25 A Correct. I pulled it out of the holster.

1 Q And what did you do at that point?

2 A I pointed it towards her, I told her to stop. The  
3 safety was on, I took it to her, like I pointed it towards her  
4 and then she basically said, you know -- I told her that the  
5 safety was on, but she was like, you're not going to kill me,  
6 you're not going to kill me. There's no need for that, but you  
7 need to stop punching me. You're not going to kill me and I no,  
8 of course not the safety's on, I'm not. That wasn't my motive,  
9 I want you to stop touching me and attacking me.

10 Q At that point did she exit the room?

11 A Yes. She left, I went into my -- I put the gun back.  
12 I was -- she was still there. I went back, I put the gun back  
13 to the spot in the holster, in my pant's, in the pocket. I  
14 went into bed and she was in the bathroom. And then she was  
15 throwing stuff, still trying to agitate me and push me. Then  
16 she said that she was going to leave me tonight and pack her  
17 stuff and I said that's fine. (Unintelligible). And then she  
18 said she was going to leave me at midnight when I go to work  
19 because I work the midnight shift and she's got like two weeks  
20 vacation now and I said go right ahead I don't have a problem  
21 with that.

22 Q And at that point does she leave the room?

23 A Correct. But she left a couple times back and forth  
24 to throw stuff and keep on trying to agitate me.

25 Q Did there come a point where she was downstairs?

1 A Yeah.

2 Q At that point did you exit your room and go  
3 downstairs?

4 A When she exit the apartment, yes. She needs to find  
5 out what was going on.

6 Q And when you went downstairs were you armed with  
7 your firearm at that point?

8 A No.

9 Q When you went downstairs and spoke with your wife  
10 where did that discussion take place at?

11 A In the kitchen.

12 Q And at that point did she have any weapons in her  
13 hand at that time?

14 A No.

15 Q At some point during your argument downstairs did  
16 there come a point where you returned to your room?

17 A Well she punched me several times.

18 DETECTIVE GROSSMAN: You have to let me  
19 finish.

20 BY DETECTIVE GROSSMAN:

21 Q Did there come a point where you went upstairs and  
22 came down again for a second time?

23 A Yes. After I was being punched, yes.

24 Q And at that time when you armed yourself with your  
25 firearm what did do you then?

1           A     I went downstairs, you know, confronted her, saw what  
2 she was doing and she had a knife in her hand. I grabbed her  
3 hand and grabbed the knife in my right hand, put it back in the  
4 drawer, and she kept on punching me like crazy again and then I  
5 fired.

6           Q     Take you back for one second. When you were coming  
7 downstairs where was she?

8           A     In the kitchen.

9           Q     And did you have your firearm in your hand?

10          A     Yes.

11          Q     And when you came downstairs and saw her in the  
12 kitchen did she have the knife at that point?

13          A     Uh-huh. And she had it towards me and then she was  
14 like had it towards her like she was going to commit suicide.

15          Q     Did she say anything to you at that point?

16          A     Yeah, you're not going to kill me, blah, blah, blah,  
17 you're a pussy, and all that stuff.

18          Q     Now, you stated that she had a knife in her hand.

19          A     Uh-huh.

20          Q     Can you describe the knife?

21          A     Silver, about a foot long, with a black handle.

22          Q     And did she make a direct threat to you with that  
23 knife?

24          A     Uh-huh.

25          Q     What did she state to you?

1 A Well, she said you're not going to kill me, at first.  
2 Then she says I'm going to kill you, you know, you pulling that  
3 gun on me.

4 Q And you stated that you disarmed her?

5 A Correct.

6 Q And was your firearm in your hand at the time that  
7 you disarmed her?

8 A Yes.

9 Q What did you do with the knife after you took it out  
10 of her hand.

11 A Put it in the drawer.

12 Q And at that point did you close the drawer?

13 A Yeah.

14 Q Was she armed with any other weapon at this time?

15 A No.

16 Q What happened next?

17 A She just started throwing punches like crazy. She  
18 was like really attacking me. Like I was getting out of the  
19 way and got hit in the arm and she was like going for my  
20 temple. I felt like she was, you know, she was trying just to  
21 <sup>she head butt me</sup> take me out. And then also she does make threats upstairs  
22 about me dying and she hopes I die, and that she'll get someone  
23 to kill me, whatever it is. And she did make those threats  
24 upstairs.

25 Q So after she hit you in the kitchen --

1 A I fired. I fired away. I shot her.

2 Q How many times did you discharge your weapon?

3 A I want to say six to eight times.

4 Q Was that full capacity of your gun at that time?

5 A Full capacity like in the sense of?

6 Q Your firearm was fully loaded?

7 A Uh-huh.

8 Q And what did you do with the gun after you shot her?

9 A Well, she was still (unintelligible) and throwing  
10 punches even when I did shoot her a couple of times, she was  
11 still fighting. I put it upstairs in the closet again, on top  
12 of the pants and then I got some pants and jeans. I talked to  
13 my stepdaughter, I told her to keep this door closed, don't  
14 come downstairs. I told her to stay there. Then I went  
15 downstairs, I took the picture, and then I just locked the  
16 door.

17 Q Now, let me ask you. Back to the fight when you  
18 were in the kitchen with her, what is she doing? When she was  
19 hitting you was she near the hallway or was she --

20 A No, this was all in the kitchen.

21 DETECTIVE GROSSMAN: Let me finish the  
22 question.

23 BY DETECTIVE GROSSMAN:

24 Q When she was hitting you were you closer to the  
25 hallway?

1 A Uh-huh.

2 Q And is that closer to the exit of the residence; the  
3 front door to the residence?

4 A No, it has like a back and a little (unintelligible).  
5 It's kind of like in the middle, yeah.

6 Q Your kitchen is a U-shaped kitchen and you were near  
7 the hallway; is that correct.

8 A Uh-huh.

9 Q Is that correct?

10 A Uh-huh.

11 Q Say "yes".

12 A Yes.

13 Q So you're closer to the hallway which leads to the

14 --

15 A Correct.

16 Q -- front door of the house?

17 A Uh-huh.

18 Q Now, you stated you took a picture. What did you  
19 take a picture of?

20 A Of her.

21 Q Was she deceased at that point?

22 A Yes.

23 Q And why did you take her photo?

24 A So the family would know and be notified and they  
25 could rush over there and get my ~~stuff out~~ <sup>Da</sup> ~~Stepdaughter~~

1 Q And what did you do once you took that photo?

2 A Uploaded it on Facebook. On her page, so the family  
3 can see.

4 Q And when you uploaded it on her page, did you upload  
5 it on your Facebook page as well?

6 A Correct. Because I have her family and friends on my  
7 Facebook too.

8 Q At any point prior to leaving the house did you call  
9 911?

10 A No, I didn't.

11 Q Once you exited the residence, did you lock the door  
12 behind you?

13 A Yes, I did. Bottom lock.

14 Q What did you do after that?

15 A I went straight to my aunt's house.

16 Q And your aunt's name is?

17 A Valerie ~~Guzman~~ <sup>Medina</sup> <sup>Dr.</sup>

18 Q And do you know her address?

19 A 6841 SW 48th Street, Miami, Florida 33155.

20 Q And once you were at your aunt's house what did you  
21 do?

22 A I pretty much informed them that I just killed my  
23 wife and she was abusing me. And she said, why? She was  
24 crying. She was a little confused. I advised my uncle as  
25 well. And then there I told them to call my dad and my stepmom

1 so I could, you know, say goodbye before I go to the police  
2 station.

3 Q And what is your uncle's name?

4 A Nash Abi. I mean full name is Abichani.

5 Q Can you spell that?

6 A It's going to be hard. A-B-I-C-H-A-N-I.

7 Q And you then informed them, as well as your dad that  
8 you had shot your wife?

9 A Yes, I did.

10 Q And who took you to the police station?

11 A My dad; Derek Medina -- Derek Ian Medina.

12 Q And did you go to the police station voluntarily?

13 A Yes.

14 Q And what police station did you go to?

15 A City of South Miami.

16 Q And when you got there what did you do?

17 A I informed the dispatcher that I just killed my wife  
18 and she was attacking me. And then she said, okay. Wait here.  
19 And then City of South Miami came over, they checked to see it  
20 I had weapons, and then they took me to the cell.

21 Q I'm going to take you back for a moment. When you  
22 shot your wife where did you shoot your wife at?

23 A I believe it was the stomach and it could have gone  
24 up to her chest area to the throat, to the neck. From the neck  
25 to the stomach.

1 Q And do you know how many times you actually hit your  
2 wife?

3 A Six to eight times. Everything that was in there hit  
4 her. The full round.

5 Q So every round you fired hit your wife?

6 A Correct.

7 Q I wants to take you back now to your prior, I guess  
8 jobs. Was there ever a point in time where you were an  
9 amateur boxer?

10 A Yeah.

11 Q And how long were you an amateur boxer?

12 A Since 2004. 2007 I started professional.

13 Q What was your record as an amateur?

14 A 25 and 0.

15 Q And that means that you never lost a fight?

16 A Correct.

17 Q Are you right-handed or left-handed?

18 A Right-handed.

19 Q When you shot your wife did she say anything?

20 A No, she just kept on trying to attack me. <sup>On</sup> ~~She was in~~  
21 <sup>On</sup> ~~charge~~, she had an expression like she was trying to lunge at  
22 me.

23 Q What type of expression did she have? Describe  
24 that.

25 A Just her mouth open up in shock. A gasp or shock.

1 Q Did she ever ask for help when she was falling to  
2 the ground?

3 A No.

4 Q What injuries did you sustain today?

5 A I have marks on my chest; my right side of the chest,  
6 and my left arm is bruised, severely.

7 Q To your left arm?

8 A Correct.

9 Q Are any of those injuries life-threatening?

10 A No. I mean it feels like it is, but they said it was  
11 just bruised. I think -- I don't know if it's fractured, but I  
12 feel severe pain to my left arm.

13 Q Did you feel by her punching you in the arm and  
14 chest would ultimately kill you?

15 A Correct. I was more concerned about the temple.

16 Q When she was hitting you in your arm and chest --

17 A She got close to my temple, I got out of the way.  
18 She was real close to my temple.

19 Q The injuries to your arm and to your chest those  
20 ~~were~~ not life-threatening injuries; <sup>am.</sup> ~~correct?~~ *they were life threatening*

21 A No. Well, maybe my chest. Maybe my chest, yes. Not  
22 my arm, no. My chest yes.

23 Q And why did you not call 911 from your residence?

24 A From the beginning of it all or when I shot her?

25 Q Both?

1           A     Cause I figured that I had to solve it on my own. I  
2 dealt with this for four years and I never had to call the  
3 cops. We've been able to resolve it. I didn't know it was  
4 going to get to this.

5           Q     So during the course of the your wife being abusive  
6 to you over four year at no point did you ever call the  
7 police?

8           A     No, I just informed my family.

9           Q     Did you ever think that maybe involving the police  
10 could help your situation?

11          A     No.

12          Q     And you chose not to call the police today because  
13 why?

14          A     I wanted to turn myself in. I wanted to go in  
15 voluntarily. I didn't want to have to call, and I didn't want  
16 my stepdaughter to see all that.

17          Q     Now, you stated I earlier that you feel things could  
18 have gone differently?

19          A     Uh-huh.

20          Q     How do you think things could have turned out  
21 differently?

22          A     If it didn't even start from the beginning. If the  
23 fight, meaning the verbal fight didn't even start from the  
24 beginning. It just could have been handled differently.  
25 Everything in general. You know, we talked about not fighting

1 in front of my stepdaughter. So my wife knows that I'm not  
2 going to fight, you know, with my stepdaughter there. Before  
3 that, you know but I try not to even get to -- I just ignore  
4 it. That's why I was trying to go back to sleep because I did  
5 not want my stepdaughter involved. So she was pushing me and  
6 attacking me from the upstairs to the downstairs.

7 Q Now, you stated earlier that your family was aware  
8 of the abuse that your wife was inflicting upon you. Did you  
9 ever photograph any of those injuries?

10 A Yes, I did.

11 Q Where are those photographs?

12 A On the phone at my aunt's house.

13 Q And what are those photographs of?

14 A Just my arm.. I didn't get my chest because I had my  
15 tank top on.

16 Q Is that from today.

17 A Uh-huh.

18 Q So the photographs that are on your phone is of what  
19 the injury that was sustained today?

20 A And video.

21 Q Prior to today did you ever show anybody these  
22 injuries that you sustained from your wife?

23 A Oh, yeah. My family. When I got there they saw it;  
24 my aunt.

25 Q You're talking about today's?

1 A Yes.

2 Q Prior to today --

3 A No.

4 Q -- has anybody seen any injuries that you sustained  
5 as a result of your wife, prior to today?

6 A No, cause this just happened in the morning, so it's  
7 impossible. It happened ten something in the morning.

8 Q And why didn't you leave the house in lieu of --

9 A Because my wife is suicidal and she's attempted  
10 suicide before and if I leaf she was over doze on meed yes, sir  
11 prior suicide before and if I leave the house she will overdose  
12 on medication.

13 Q Had any of those prior suicide attempts -- have you  
14 ever called 911 to report any those prior suicide attempts?

15 A No, sir.

16 Q And when you shot her were you in fear for your  
17 life?

18 A Yes.

19 Q Why?

20 A She was repeatedly punching me and punching me and  
21 trying to get to my temple or my neck. When I say I was in  
22 fear with the shots; with her punch towards my chest area,  
23 because she was getting close to my neck, so I was in fear with  
24 my neck, her catching me to the throat and to the temple on the  
25 left side. But the arm I wasn't, you know, she's not going to

1 kill me punching my arm.

DM.  
{ Yes I feel she will kill me  
punching my higher part of my  
arm not my lower part of my arm }

2 Q I'm going to show you one additional form that was  
3 presented to you earlier.
